MEMORANDUM FOR: Director, Office of Global Issues  
Directorate of Intelligence

SUBJECT: SSCI Staff Request for Review of Staff Report:  
"The Implications of Low Oil Prices for U.S.  
Interests and Security"

1. Enclosed is a draft SSCI report on the petroleum industry, prepared by Natalie Bocock of that staff.
2. The SSCI has asked our assistance in recommending changes to the draft in order to publish an unclassified report. Ms. Bocock asks that we bracket portions which should be deleted, suggest alternate phrasing or provide other recommendations.
3. As you are aware, Ms. Bocock developed background for the paper from discussions with intelligence analysts and review of finished intelligence, plus research of unclassified materials. Her intent, however, is to produce an unclassified document.
4. OCA would appreciate an OGI review on a priority basis.
